### **DETAILED ACTION**

This application is in condition for allowance except for the following formal matters:

#### ***Specification***

The disclosure is objected to because of the following informalities: in the specification page 6, line 10 change "fig. 2" to --fig. 3--.

Appropriate correction is required.

#### ***Claim Objections***

Claim 1 recites the limitation "the installation chamber" in lines 4-5, "the combing teeth seat" in lines 13-14. There is insufficient antecedent basis for this limitation in the claim.

#### ***Drawings***

The drawings are objected to under 37 CFR 1.83(a) because they fail to show the elements "100, 101 and 16" as described in the specification. Any structural detail that is essential for a proper understanding of the disclosed invention should be shown in the drawing. MPEP § 608.02(d). Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures

appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
